

Current Employment Openings for the Training Program

The Operating Engineers Training Program is looking for a few good instructors! We have openings in:

- *Tech Engineer*
 - *Satellite Safety Instructor*
 - *Blade*
 - *Asphalt*
-

Job title: Operating Engineers Regional Training Program (OERTP) Instructor

Salary: Group 1A

Employment status:

- The Asphalt Instructor will be full time for the duration of the Asphalt class.
- The Safety Instructor will be part time for duration of the Satellite Safety classes.
- The Tech Engineer Instructor will be full time for the duration of the Tech Engineer classes.
- The Blade Instructor will be full time for the duration of the Blade (grader) classes.

Note: *If qualified in more than one position we will strive to accommodate a full time position.*

To be considered, the following competencies are required for this position:

- **Knowledge, Skills & Experience (Essential):** Must be a member in good standing with at least 5 years in the trade.
- **Self Management:** Must have a great deal of flexibility, able to make decisions based on your experiences and the training objectives.
- **Self motivated:** Should be self motivated, energetic and able to enthusiastically teach students at all levels.
- **Plan/Organize:** Must have the ability to plan and organize classes. Training materials are provided, but it is up to the instructor as to how they are presented.
- **Communicate:** Capable of talking to small groups.

Qualifications – Desirable:

1. 15+ years in the union (local 612 or local 302) and the trade.
2. Professional equipment operator, able to run a variety of equipment.
3. Should be able to effectively communicate at all levels, from pre-apprentice to senior management. Have the ability to build, lead and guide group discussions and the capability of talking to large and small groups.
4. Past experience as a foremen or superintendent, in a position to hire, fire and direct the workforce.

The Operating Engineers Regional Training Program provides room and board to those instructors living over a sixty mile radius of the training location. Applicants can be retired members. We contribute to the Local 302/612 Health and Welfare and Pension Plan and participate in the International Retirement Plan.

Please note: Instructors will be required to pass a drug and alcohol test
